Last Rites Are Held For Local Gardener

Funeral services were conducted in San Francisco Tuesday for Vittorio Fracchioni, also known as Victor Franconi, Redwood City rancher and gardener for more than 20 years. Fracchioni died Friday after an illness of two weeks which had confined him to a San Francisco hospital.

He was the husband of Aurelia Fracchioni, and the father of Eugenio Fracchioni and Marina Cinti of San Francisco, Mrs. Anna Bondonno, Redwood City, and John and Paribe Fracchioni of Italy. The Fracchioni home was on Summit Dr., Emerald Lake.

The deceased was a native of Italy and was 72 years old.

Requiem mass was said at SS. Peter and Paul's Church, followed by interment at the Italian Cemetery.

Atchison, Kansas, claims the first plant established in the United States for the manufacture of alcohol to be used as motor fuel.

TRAILER COMEDY TO SEQUOIA

"Next Time I Marry," a gay tale of love in a cross country trailer, starring Lucille Ball and James Ellison, comes to the Sequoia screen next Fri. and Sat. Sharing the bill is Boris Karloff, the screen's number one bogie man, in "Devils' Island."

Corsetiere Attends School in S. F.

The Little Shop has sent its corsetiere, Mrs. Langford to attend the Gossard School of Corsetry at Hotel St. Francis, San Francisco. She will remain there three days.

Specialized service has taken on an added importance in the modern retail store and the Little Shop has adopted this advanced merchandising idea. Realizing the important relations correct corsetry bears to health and efficiency, the corset department is receiving special attention.

The Gossard School of Corsetry is acknowledged to be the oldest and foremost institution of its kind in the United States and its graduates are accepted as expert authorities on modern hygienic corsetry.

Final Session Of Kangaroo Court Today

Want to see the kangaroo court for whiskerless Redwood citizens in action for the last time?

Then come down town today, for the court, presided over by "Judge" Ole Oleson, will hold it last session from 2 to 5 p.m. on Broadway across the street from the Southern Pacific Station, adjacent to the Shell Service Station.

"Judge" Oleson, who this week has been nabbing hapless, whiskerless Redwood City males and "selling" them "smooth puss" badges, and all his court attaches will be present. They include "Court Clerk" Norman S. Menifee, "Sheriff" Sanford Ratliff and a number of other "westerners."

Nieri Suffers Hurt Shoulder

Undersheriff Lawrence Nieri nursed a broken shoulder today at his San Carlos home while friends revealed his successful attempt Saturday night to save a woman's car from demolition by trains.

The undersheriff hurt his shoulder attempting to push the woman's car off the tracks at Linden Ave., South San Francisco, where it had been stalled following a minor accident. The woman was Mrs. Ethel B. Perkins of San Bruno, police reported.

When he realized he could not push the car from the tracks, and hearing a train whistle in the distance, Nieri rushed to his car and drove south to the San Bruno depot. As he drove up, the train pulled away.

Nieri turned his car around, got ahead of the train and stopped his car at Angus Ave. with the machine's red light flashing a warning. The train stopped just short of Mrs. Perkins' stalled car. Whistles from the train later halted a southbound train, until the car could be pushed from the tracks.

Police said Nieri hurt his shoulder when he slipped on a rail while pushing at the stalled machine. One of his spinal vertebra was believed dislocated. The shoulder has been placed in a cast.

Retired Professor Dies at Stanford

PALO ALTO, Feb. 13 — Prof. James Owen Griffin, 88, retired professor of German at Stanford University and uncle of several Peninsulans, passed away late Saturday at his campus home.

Professor Griffin, who gave Chief Justice Charles Evans Hughes his first job and who taught German to former President Hoover, came to Stanford when the university opened 48 years ago and remained on the faculty until 1917. It was when Mr. Griffin was instructor at Delaware Academy in Delhi, N. Y., that he employed Hughes to teach Latin and Greek while the latter was studying law.

J. M. Silvey, Chamber Aide, Bridge Victim

J. M. (Jack) Silvey, manager of the San Jose Chamber of Commerce from 1929 through 1936, today was listed as the 11th suicide to jump from the Golden Gate Bridge. Two pedestrians said they saw him climb to the railing and leap into space. Four notes were found in his coat. No reason could be discovered for the act.

Sergt. R. E. Hewitt of the State Highway Patrol, first officer on the scene, said he had dissuaded Silvey from a previous attempt to leap from the bridge several weeks ago.

Silvey took a leading part in many Peninsula activities and was regarded highly by his associates in chamber of commerce work.

WIN ORATORICAL CONTEST

Louis B. Dematteis, in a Lincoln Day talk, and W. Earl Whitaker, discussing "Glories of War," won the oratorical contest held by the Toastmasters Club Monday to select a representative of the local organization to compete in district finals. The two, with the winners last Monday, will meet in a new contest a week from next Monday.

FOR CHRONIC COUGH
Tacoma, Wash., April 2, 1936.
Yee & Ko Herb Co.
Gentlemen: I am writing to you to let you know that I have used your herbs for congestion of my lungs and a chronic cough that I had for four or five years, and, after using your herbs for three weeks, my lungs were cleansed out and my old cough is gone. I am sure happy to know that your herbs will do positively what you claim for them. I have had three doctors, one X-ray, and electric treatments, and they did me no good, and all kinds of medicine.
And in closing I wish to say that anyone doubting what I have written about can call at my house at any time and I will explain to you personally what these herbs of Yee & Ko have done for me.
Very sincerely yours,

MENLO PARK NEWS NOTES

MENLO DAY AT EXPOSITION

MENLO PARK, Feb. 17—Menlo Park is to have a day at the Golden Gate Exposition. Former residents from far and near will come to mingle with local citizens to tell of the happy and care-free days of Menlo Park when it was a mere village. They will recount the colorful times of the building of the Flood mansion, the university buildings, the fame of the Stanford stock farm and the well-known characters that lived here in those bygone days. A contest will soon be started for the election of a queen to reign for a day on that occasion. There are so many pretty girls in Menlo Park it will be difficult to select one.

A Pontifical mass was celebrated in the Church of the Nativity Tuesday for the repose of the soul of Pope Pius XI. The edifice was crowded with admirers of the great Pontiff. On Sunday at the 11 o'clock mass Father McKeon in his sermon paid an eloquent tribute to the Pope of Peace for his splendid work on behalf of mankind and his efforts to eradicate race hatred and intolerance.

Mr. and Mrs. Raymond Eichenberg have returned from their honeymoon and are at home to their friends at their pretty cottage on Menlo Ave. The wedding took place in the Church of the Nativity last Saturday afternoon, Father McKeon officiating. The pretty bride is the former Miss Evelyn Maloney. Mr. Eichenberg is a Redwood City young man and is employed in the department store of Hale Bros. in San Francisco.

Nick Whalen, a resident of Menlo Park for 20 years, died at the Community Hospital Saturday night from the effects of an accident which occurred in the evening. Whalen was run down by an automobile while crossing the highway at Oak Grove Ave. The body has been shipped to Seattle, his former home, for burial. Whalen is survived by two daughters, two brothers and other relatives living in the northern city.

Mrs. William Wilson left today for Reno to be the guest of her brother, Joseph B. Lynch, superintendent of the grounds and buildings of the University of Nevada. Mrs. Wilson will be gone for two weeks.

There is going to be another oil service station in town. It's location is said to be on the highway just below the cash grocery store on Oak Grove Ave. The people of Menlo Park won't suffer from lack of gas for there are already more than a dozen stations in this locality.

As the Lenten season is only a short time off, it is said two Menlo Park couples contemplate approaching the altar before the penitential season starts. See the Times-Gazette next week for announcements.

Menlo Parlor NDGW will hold a dance in the Central School auditorium early in March.

The '49er committee met in the city hall Monday night to discuss plans for a '49er celebration in Menlo Park. All service clubs and fraternal groups were represented. Oscar Olson, principal of the grammar schools, was elected chairman.

The regular monthly card party given by American Legion Post 443 and the auxiliary will be held tonight at 8:15 p.m. in Central School Auditorium.

The annual spendable income of a 200 by 300 mile area surrounding Memphis, Tenn., is calculated at $600,000,000.

COMING TO THE REDWOOD

Toll for This Time of Year Sets New Mark

Nicholas Whalen, 60; Charles Malmstead, S. F. Man Die

County traffic death records were smashed over the week-end as three pedestrians were killed, raising the automobile toll for 1939 to 12 dead, as compared with only 5 killed on Peninsula highways at this time last year.

The weekend victims:

Charles Malmstead, 70, 830 Partridge Ave., Menlo Park, killed Saturday night on El Camino Real at Atherton as he ran across the highway to catch a bus. Driver of the car, P. G. Ray, 24, Palo Alto, was not held.

Nicholas Whalen, 60, Oak Grove Ave., Menlo Park, fatally injured Saturday night when struck on El Camino Real in Menlo Park by a car driven by Robert Todd Dofflemyer, 20, a Stanford sophomore from Exeter. Dofflemyer is to be questioned by the district attorney.

Charles G. Certeley, 61, San Francisco, killed last night as he stood beside his car on Mission St., Daly City. Driver of the car, Giovanni Moresco, 50, San Francisco, was arrested on manslaughter charges and released on $250 bail.

It was the first time in many months that three pedestrians had been killed over a single weekend. The death toll of 12 for 1939 is the highest at this time of any year, records show. On Feb. 13 of other years, the toll stood as follows: 1938, 5; 1937, 6; 1936, 9; 1935, 7.

Retired Pastor Guest At Relief Home Rites

Reverend W. E. Gray, retired Baptist minister of Covelo, and his wife were guests of Rev. William Savidge, pastor of the Full Gospel Church, Redwood City, at an hour's religious service at the Relief Home Sunday afternoon.

Reverend Gray is now a resident of Redwood City and he and his wife are members of the Full Gospel congregation.

Rev. Gray told of his experience in religious work in the frontier days of the Far West, and his wife gave a brief testimony along similar lines. Dorothy Lassen, young member of the congregation, sang a hymn, while Sam Stephenson rendered a solo on the flute.

Club Members Given Valentines at Dinner

Exchange Club members who left their homes on Valentine's Day to attend their regular meeting last night found gentle reminders from their wives that they were not doing right by the women-folk on that particular sentimental occasion, for at the men's plates when they sat down to eat at Cafe de Paris were valentines from the "better halves." Considerable mirth was provoked when members read aloud the inscriptions on the missives.

D. Fred Gatchel, Sequoia High School instructor, was the speaker, giving a Lincoln Day talk based largely on material collected by his students. Miss La Vern Rice, Exchange Club candidate in the recent queen race, was a guest and acted as program chairman.

Britain's grand old man of cycling, Henry Revell Reynolds, 82, is dead. During more than 60 years of using a bicycle he claimed to have ridden more than 400,000 miles.

OIL EXECUTIVE

J. S. NORRIS
Manager of lubricating oil sales for the Gilmore Oil Company

Oil Executive Tells Men Of New Lubricant

Bringing news of an entirely new type of Diesel lubricating oil to be marketed by the Gilmore Oil Company,. J. S. Norris, manager of lubricating oil sales, addressed a group of Gilmore personnel here Feb. 2. Norris, who is making a tour of Pacific Coast cities accompanied by E. J. Sanders, Gilmore Diesel engineer, was introduced to the local group by F. B. Keip, Gilmore branch manager.

Characteristics of the new oil, known as Gilmore Smacko, were described in detail by Norris, who pointed out that many of the major mechanical difficulties encountered in Diesel operation will be eliminated through the use of this new type lubricating oil made available for the first time on the Pacific Coast by Gilmore.

Speaking of general business conditions in the petroleum industry, Norris revealed that the Gilmore Oil Company showed marked increases all along the line last year, in spite of the generally quiet business period. In his own immediate department, he reported a 10 per cent increase in the sale of Lion Head motor oil over previous years.

1-Year Bond Due For Building Aide

One of the first problems before Executive Frederick Peterson, who was back in his office today after a week's illness, was that of proper bonding of Bldg. Insptr. William Watson Jr. Advised that the bond, which recited Watson had been appointed for a four-year term, had been questioned, Peterson said it had been sent back and would be written on a yearly basis.

Informed the board of supervisors had requested a written opinion on the term of office of Health Director Charles C. Gans in order to place him under bond, Peterson said:

"It has always been my contention that the doctor's term of office will not end until Mar. 19. At that time I will consider the matter."

He warned it was not to be assumed that Dr. Gans would necessarily be reappointed at that time.

The cultivation of the superstaple Sea Island cotton, formerly confined mainly to South Carolina, Georgia and Florida has now spread to Alabama and Louisiana.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.

MATERIAL . . . so like Nature's own gums your closest friend can't tell. Plate material developed by world-famous du Pont Laboratories NOW HERE! This beautiful, moist appearing du Pont material is odorless, tasteless . . . yet with all its daintiness it is made to stand the roughest use. One of the nation's earliest strikes developed at New Orleans in 1706. Women of the tiny colony threatened to leave because they were obliged to eat corn bread.

Burnet R. Maybank, who early in 1939 became South Carolina's 98th governor, was sworn in with an old Bible that had been in his family for 150 years.

This is the land where superlatives are outdone by reality — where every home is an Exposition of happy living!

Welcome—all visitors to our marvelous Golden Gate International Exposition on Treasure Island in San Francisco Bay. Be prepared for superlatives. Be prepared to be hailed as "pardners." Here is where all things are measured with a tape-measure long enough to encircle the world!

Welcome to the world's largest man-made island in the world's greatest landlocked harbor—spanned by the world's biggest bridges.

Welcome, each and every one of you, to our homes in California. Each and every home is an Exposition of easier, happier, better and cheaper living. Step into one of these homes on a day we call cold and wintry—here in California. Feel the soul-satisfying warmth that comes from a Natural Gas heating machine. Winter heating in California is no more trouble than turning on an electric light. Homes here are heated with Natural Gas—the fuel and heat that is entirely clean, carefree and reasonable.

Then we hope some day to welcome you back as friend or neighbor in this land where life is better.

Until then — put it there pardner! See you later.
